## Benefits of Membership - What You Get!

---

---

*A Wealth of Knowledge and....*

Membership in the Colorado Dahlia Society (CDS) runs from May 1st through April 30 of the following year. Members must join/renew before **April 1** to receive all three issues of the Bulletin of the American Dahlia Society. Joining CDS automatically includes the membership of ADS.

The CDS offers two levels of membership – Individual & Family. All members receive a copy of the ADS *Classification and Handbook of Dahlias* as well as 3 issues of the Bulletin of the American Dahlia Society annually. Family membership provides one additional copy of the *Classification and Handbook of Dahlias*.

New members will also receive Colorado Dahlia Society nametags which we encourage you to wear at any dahlia meeting, show or other dahlia gardening or horticultural event you may attend.

CDS members also receive:

- All meeting announcements, minutes and other mailings
- Access to CDS member-only events
- Annual show book information
- Free tubers!

CDS members are eligible to participate in our annual tuber roundup and free tuber exchange. The Colorado Dahlia Society meets monthly usually on the 2nd Sunday of most months from February thru October. All members are encouraged to attend and share in some of the best potluck luncheons in Northern Colorado.

The CDS offers classes and discussions on Dahlia growing and showing as part of our monthly meetings. Mentoring is also available to answer your questions and help you grow the best Dahlias possible!

And, yes there is still such a thing as a free lunch! All first-time meeting attendees are invited to join us in enjoying a pre-meeting potluck luncheon.
